

CURRICULUM VITAE

Name: **Dee Edward Silver, M.D.**

Signature

Date

Address/Professional Experience:

Coastal Neurological Medical Group, Inc.

1973-Present
9850 Genesee Avenue #860
La Jolla, CA 92037
Phone: 858-453-3842
Fax: 858-535-9390

Birth Date:

December 8, 1939; Keystone, Iowa

EDUCATION

Post Residency Training:

UCSD 1972-1973
Dr. R. Bickford, EEG and Neurophysiology

Residency:

University of Iowa, Department of Neurology 1968-
1971

Internship:

University of Utah, School of Medicine, Medicine Neurology, and Pediatric Neurology
1967-1968

Medical School:

University of Iowa 1963-1967

Medical Degree:

1967 June

Medical License:

Iowa 1968-1975
California (current) 1971-2013

Education:

Iowa State Teacher's College (now University of Northern Iowa) 1957-
1963

Graduate and Undergraduate Work in Science and Music

Iowa State Teacher's College (now University of Northern Iowa) 1957-
1961

Cedar Falls, Iowa, BA in Music

High School, Belle Plaine, Iowa 1954-
1957

Professional Music Experience, Orchestra:

Floyd Warren Radio Rambler 1958-1962
Charlie Trussel 1959-

1961 North Coast Jazz Band 1983-
1986

Dee E. Silver, M.D.

Page 1 of 72

Board Certification:

1973 Medical License, University of Iowa 1967
Board Certified in Neurology, certified August
Passed oral in August 1973, Written in January 1973

Qualified Medical Evaluator:

July 1998 For industrial medical consult. Examination passed June 29, 1994
Certified by state of California and recertified 1996,

Board Eligible:

1973 By post residency training in Electroencephalography and Neurophysiology
(elected not to take test)

Military Assignments:

Department of Neurology, US Naval Hospital, Balboa
1971-Oct. 1973
San Diego, California

Head of Department of Encephalography and Neurophysiology, Head of EEG Training School
1971-1973 US Naval Hospital, Balboa, San Diego, California

Head of Department of Neurology, US Naval Hospital, Balboa, San Diego, California
07/1972-10/1973

Lieutenant Commander, US Naval Hospital, Balboa, San Diego, California
1971-1973

Professional Advisor:

Electroencephalography/Electromyography and Neurophysiology
1971-1973
Grossmont College, San Diego, California

Assistant Clinical Professor 1971-1975
UCSD, San Diego, California

Lecturer-Emergency Medicine Symposium I and II:

1998 1974-
Post-graduate Institute of Emergency and Primary Care Physicians
Quarterly
UCSD, San Diego, California

Quarterly courses lecturer on subjects
1) Headache and Head Pain
2) Seizures and Status Epilepticus
3) Infectious Diseases of the Nervous System

Author of chapters for subjects in book
1) Headache and Head Pain, chapter revised August 1998
2) Seizures, chapter revised July 1998
3) Infectious Diseases of the Nervous System for Emergency Medicine Text (course text)
4) Strokes, chapter written 1998, revised August 1998

1989 Scripps Memorial Hospital TMJ conference 1986-

1987, 1989 Co-chairman, lecturer on Headache, Head Pain, and TMJ 1986,

Continuing Medical Education Associates, Inc. Lecturer, Chapters on:

- 1) Headache
- 2) Stroke

Professional Societies:

| | | |
|-----------|--|-----------|
| | California Medical Association (current) | 1973- |
| 2012 | | |
| | California Neurological Society | 1975- |
| 1976 | | |
| | San Diego Neurological Society (current) | 1998-2010 |
| 2010 | | 1971- |
| | American Academy of Neurology (active) | 1971- |
| 2012 | | |
| | American Medical Association (current) | 1971- |
| 2012 | | |
| | American EEG Society | 1971- |
| 1994 | San Diego County Medical Society | |
| 1973-2010 | | |
| | American Association for Study of Headache | 1986- |
| 2012 | | |
| | Movement Disorder Society | 1990-2012 |
| | Pacific Interurban Clinical Club | 1998- |
| 2002 | | |

Other:

Phi Mu Alpha, Life Member
Nu Sigma Nu, Life Member

Completion of Rater Training:

- 1) Toronto Western Spasmodic Torticollis Scale (TWSTS)
31, 2006 July
- 2) Jankovic Rating Scale (JRS) in Blepharospasm
28, 2006 Nov.
- 3) Unified Parkinson's Disease Rating Scales (UPDRS)
Current 2006-
- 4) Botox Injection Training with Cervical Dystonia patients
Aug. 20, 2008
- 5) Columbia-Suicide Severity Rating Scale (C-SSRS)
Mar. 04, 2011

Civic Organizations:

| | | |
|------|--|-----------|
| | Rotary International, Torrey Pines Chapter | |
| | Active Member | 1973- |
| 1993 | | |
| | Senior Active | 1993-1994 |
| | Paul Harris Fellow | 1986 |

Elected Medical Memberships:

- 1) Alternate delegate to the California Medical Association
1978-1981
- 2) Delegate to California Medical Association
1984 1981-
- 3) Chairman, Medical Services Committee for San Diego County Medical Society
1975-1977
- 4) Board of Directors, San Diego County Medical Society PSRO
1978
- 5) Scripps Memorial Hospital Executive Medical Committee, Member at Large
1978-1981
- 6) Scripps Memorial Hospital Supervisory Committee, Encinitas
1982 1978-

- | | |
|---|--------------------|
| 7) Scripps Memorial Hospital Medical Supervisory Committee, La Jolla | 1985-1987 1988- |
| 8) Scripps Memorial Hospital La Jolla | 1990 1998- |
| 9) Scripps Memorial Hospital La Jolla | 1982- 2003-2005 |
| 10) Scripps Memorial Hospital Encinitas, Chairman, Section of Neurology | 1985-1987 |
- Chairman, Section of Neurology, (EEG, ENG, EMG, Evoked Potentials and Audiology) 1987-1990

Appointed Positions:

- | | |
|---|-----------|
| 1) Scripps Memorial Hospital La Jolla, McDonald Supervisory Committee | |
| 2) Scripps Memorial Hospital International Committee | 1989- |
| 3) Scripps Memorial Hospital La Jolla, Physicians Health and Well Being Committee | |
| 4) Chairman, Physician's Health and Well Being Committee (current) | |
| 5) Project Scripps Neuro/Rehab/Orthopedic Clinical Work Group for Scripps Health | 1998-2008 |
| 6) Editorial Board, San Diego County Physician Magazine | 1985-1986 |

Appointed/Elected Positions for Foundation:

- | | |
|--|-----------|
| 1) Ellen Browning Scripps Society, Board Member | 1986- |
| 2) Ellen Browning Scripps Society, Chairman | 1990- |
| 3) Friends of Scripps Board | 1993-2005 |
| 4) Scripps Memorial Hospital Foundation Board | 1991- |
| 5) Scripps Memorial Hospital Foundation, Board of Directors, Vice Chairman of Development | |
| 6) Scripps Memorial Hospital Development Committee | 1992- |
| 7) Scripps Institute of Medicine & Science (SIMS) Foundation Board | |
| 8) Scripps Institute of Medicine & Science (SIMS) Foundation Executive Cabinet | |
| 9) Scripps Institute of Medicine & Science (SIMS) | 1993- |
| 10) Fund for Greatness, Executive Cabinet | 1988- |
| 11) Ellen Browning Scripps Society Medalist, Award Nominating Committee Chairman | |
| 12) Arts and Advisory and Acquisition Committee, Scripps Memorial Hospital La Jolla | |
| 13) Scripps Rehabilitation Community Advisory Committee, Scripps Memorial Hospital Encinitas | |
| 14) Community Advisory Board, Scripps Memorial Hospital La Jolla | |
| 15) Continuing Medical Education Committee | 2005- |

Other Elected Positions:

- 1) Hospital Staff Medical Group, Board Member 1979-1986
- 2) Hospital Staff Medical Group, Treasurer 1984-1986
- 3) XIMED Board Member 1986-1994
- 4) XIMED Treasurer 1986-1993
- 5) San Diego Neurological Society President 1985-1986
- 6) San Diego Neurological Society Secretary 1983-1984
- 7) San Diego Neurological Society Program Chairman 1981-1982

Advisor of Medical Organization:

- San Diego Parkinson's Disease Information Center (APDA)
2008 Medical Director (current) 1986-
Board Member 1986-
2010

Honors:

- 1) Purple Key Society, Iowa State Teacher's College (Now University of northern Iowa) 1961
Cedar Falls, Iowa
- 2) CHAD Civic Volunteer of the Year Award 1991
- 3) Pacific Region, NAIFEH and Smith 1996-2001
- 4) "Who's Who in Medicine and Healthcare" 1998-2009
- 5) "Top Doctors in America" 2002
- 6) "The Best Doctors in America" 2002-2010
- 7) Healthcare Champions Award, San Diego Business Journal 2008
- 8) Kipling's Who's Who Aug. 2009
- 9) "Guide to America's Top Physicians" 2009 Edition, Consumers' Research Council of America 2009

Performances:

- 1) "The Curious Savage" presented by the Village Church Community Theater
March 20-21, 2015
Played Samuel. San Diego, California

Publications/Articles/Bibliography:

- 1) "Amantadine HCL and Parkinson's Disease" 1971
Silver, D.E., Sahs, A.L., Trans of Ana (book) P.307-308
- 2) "Livedo Reticularis in PD Patients Treated with Amantadine HCL" July 1972
Silver, D.E., Sahs, A.L., Neurology, P.665-669
- 3) "Amantadine HCL, Parkinson's Disease and Dopa Metabolites" July 1972
Silver, D.E., Routh, F., Sahs, A.L. Anderson, R.
Bulletin of Los Angeles Neurological Society, Vol. 37, P.148
- 4) "Amantadine HCL, Parkinson's Disease and Catecholamines" 1975
Silver, D.E., Routh, F., Sahs, A.L., Iowa Medical Journal June
- 5) "Treatment of Parkinson's Disease With Amantadine HCL" 1972

- Silver, D.E., Sahs, A.L., Parkinson's Disease and Symmetrel-DuPont
6) "Tonic Seizures in Multiple Sclerosis" 1972
- Silver, D.E., Electroencephalography Clin. Neurophysical
7) "Amantadine in Parkinson's Disease" July
1975
- Butzer, J.F., Silver, D.E., Sahs, A.L., Neurology 25 P.603-606
8) "Epsilon Aminocaproic Acid for SAH" Feb.
1980
- Silver, D.E., Western Journal of Medicine P.1.43
9) Emergency Medicine Symposium I, Text, Chapter I-"Headaches"
1979
Post-Graduate Institute for Emergency and Primary Care Physicians, Text Revised
1984, 1988, 1992
- 10) "Seizures and Status Epilepticus" Chapter 1979
Text revised 1984, 1988, and 1992
- 11) "Infectious Diseases of the Nervous System" Chapter 1979
- 12) "Early Diagnosis of Parkinson's Disease" Parkinson's Post, Vol. 10, #2
APDA Publication from Parkinson's Disease Information Referral Center
- 13) "Algorithm For The Treatment of Parkinson's Disease" Supplement Dec.
1994
- Koller, W., Silver, D.E., Lieberman, A.,
The American Academy of Neurology, Vol. 44, No.12, supplement 10
- 14) Consensus, "Treatment of Parkinson's Disease" Neurology News
1994

Publications/Articles/Bibliography, cont...

- 15) Consensus, "Treatment of Parkinson's Disease" Geriatric News
1994
- 16) "The Use of Clozapine In The Treatment of Psychosis in Parkinson's Patients"
1995
Silver, D.E., Parkinson's Post, Vol. 12
- 17) "Rational Treatment of Parkinson's Disease With Combination Therapy"
1995
Parkinson's Post, Vol. 14
- 18) "Treatment of Parkinson's Disease With Video Accompaniment"
1995
- 19) "The Use of Clozaril In The Treatment of Psychosis In Parkinson's Disease"
1995 APDA Parkinson's Post, Winter Edition, New
Jersey
- 20) "Practical Considerations In Management of Parkinson's Disease" Procedures of a
Round 1995
Table Discussion, Educational Service by Sandoz Pharmaceutical Company and
Summerset
- 21) "Overview Of A Algorithm For The Management of Parkinson's Disease"
June 1995 An update on long-term care drug therapy, a service
of NARD
- 22) "Surgical Management of Parkinson's Disease And Experimental Procedure"
1995
Silver, D.E., Parkinson's Post Vol. 12 No.3
- 23) "New Drug Therapy For The Treatment of Parkinson's Disease"
1996
Parkinson's Post Vol.13 No.2
- 24) "COMT Inhibitors And Sinemet CR, Parkinson's Post Vol. 14 No.1
1997
- 25) "Chronic Deep Brain Stimulation in Parkinson's Disease"
1997
Parkinson's Post Vol. 14 No.1
- 26) "The Initiation of Therapy in Parkinson's Disease" Chapter Supplement
July 1998

- American Academy of Neurology
- 27) "Algorithm For The Treatment of Parkinson's Disease" Koller, et al., chapter supplement
1997
 - 28) "The Use of COMT Inhibitors, Talcapone (Tasmar) in The Treatment of Parkinson's
Disease" 1998
San Diego Post, Vol. 15 No.2
 - 29) "Alternative, Complementary, Integrative Medicine in Parkinson's" 1998
Parkinson's Post, Vol. 15 No.4
"A Glossary For Parkinson's Patients" Parkinson's Post Vol. 16 No.2 1998

- 88) "Rasagiline Benefits and Improvement With Rigidity and Akinesia" Article, Dee E. Silver Pending

- 89) "Estimating the Minimal Clinically Importance Difference for the UPDRS Bradykinesia 2010 Subscale" Dee E. Silver, Phillip O. Buck, Jane Castelli-Haley, Jill B. Conner
- 90) "Ask The Doctor" Teva Neuroscience Life in Balance Newsletter, Volume 2, Issue 3 Jan. 2011
- 91) "Determining the Efficacy of Rasagiline in Reducing Bradykinesia Among Parkinson's 2011 Disease Patients: A Review" Dee E. Silver and Phillip O. Buck, International Journal of Neuroscience, Informa Healthcare
- 92) "The Efficacy of Rasagiline in Reducing Symptoms of Bradykinesia Among Parkinson's May 2011 Disease Patients: A Review" Dee E. Silver and Phillip O. Buck, AAN Poster Presentation
- 93) "The Efficacy of Rasagiline in Reducing Symptoms of Bradykinesia Among Parkinson's June 2011 Disease Patients: A Review" Dee E. Silver and Phillip O. Buck, AAN Poster Presentation

Formal Presentations:

- 1) Amantadine HCL Treatment in Parkinson's Disease, Parkinson's Conference Aug. 1970
Wilmington, Delaware
- 2) Amantadine and Dopa Metabolites, Western Foundation of Neuro Services Feb. 1972
Newport Beach, California
- 3) Tonic Seizures in Multiple Sclerosis, Western EEG Society, San Diego, California Feb. 1973
- 4) Ellen Browning Scripps Society Medal, San Diego, California Nov. 12, 2001
- 5) Ellen Browning Scripps Society Medal, Presenter, San Diego, California Nov. 5, 2002
- 6) Ellen Browning Scripps Society Medal, Presenter, San Diego, California Nov. 10, 2003
- 7) Spirit of Life Award Dinner, Rancho Santa Fe, California Oct. 3, 2004
- 8) Ellen Browning Scripps Society Medal, Presenter, San Diego, California Nov. 15, 2004
- 9) Cooking Up Strategies for Movement Disorders and Epilepsy, CME Café, GSK 2006
- 10) KPBS Radio, Maureen Cavanaugh Show, Diagnosing Idiopathic Parkinson's Disease July 27, 2009
- 11) WealthTV, Parkinson's Disease Interview Sep. 15, 2009

Clinical Research Investigator:

- 1) Felbatol in Epilepsy, Landmark Investigation 1993-1994
- 2) IND for Cognex 1992-1994
- 3) Imitrex Injection, Post marketing surveillance study 1994
- 4) Neurontin, Dose Titration Study 1994
- 5) TPA in the Treatment in Strokes, sub-investigator Dec. 1995
Published in the New England Journal of Medicine
- 6) Ancrod and the Treatment of Strokes, sub-investigator
- 7) Cerestat in the Treatment of Strokes, sub-investigator
- 8) Exelon in the Treatment of Alzheimer's Disease
- 9) Tasmar in the treatment of fluctuating Parkinson's Disease patients
- 10) Entacapone in the Treatment of non-fluctuating Parkinson's Disease patients
- 11) Zydys in the Treatment of Parkinson's Disease
- 12) Roludex in the Treatment of Parkinson's Disease

- 13) Entacapone, Treatment of post four hour fluctuators in Parkinson's Disease
- 14) Apomorphine in the treatment of Parkinson's Disease 2000-2005
- 15) Permax, Use as monotherapy in Parkinson's Disease
- 16) Maxalt, Use in Migraine failed patients
- 17) Apomorphine, Use in Parkinson's, 3 month study with Pharmacological Study
- 18) Apomorphine, Orthostatic Hypotension Study
- 19) Myotrophin Injection, for patients with Amyotrophic Lateral Sclerosis 1996
- 20) Rebif, Phase III, in patients with Relapsing Remitting Multiple Sclerosis 2001-2003
- 21) Pfizer/Sumanitrole, Phase III, double-blind, in patients with Early Parkinson's disease 2001-2003
- 22) Pfizer/Sumanitrole, Phase III, open-label, in patients with Early Parkinson's disease 2001-2004
- 23) Pfizer/Sumanitrole, Phase III, double-blind, in patients with Parkinson's disease 2001-2004
- 24) Kyowa/KW6002 (006), Phase III, double-blind, in patients with Parkinson's, Top Enrollers 2002-2004
- 25) Kyowa/KW6002 (007), Phase III, open-label, in patients with Parkinson's, Top Enrollers 2002-2004
- 26) Novartis/Stalevo, in patients diagnosed with Parkinson's disease, High Enrollers 2002-2004
- 27) Teva/Copaxone "READY" Trial, in patients with Relapsing Remitting MS 2003-2004
- 28) Berlex/Betaseron "ABOVE" Trial, in patients with Relapsing Remitting MS 2003-2004
- 29) Berlex/Betaseron "BEYOND" Trial, in patients with Relapsing Remitting MS 2004-2007
- 30) Teva/Copaxone "ACHIEVE" Trial, in patients with Relapsing Remitting MS 2004-2005
- 31) Sarizotan "PADDY-1" Trial, in patients with Parkinson's disease and disabling dyskinesias 2004-2006
- 32) Stalevo "STRIDE" Trial, in newly diagnosed Parkinson's disease, High Enrollers 2004-2008
- 33) Kyowa/Istradefylline/KW6002 (013) Phase III Trial, in patients with Parkinson's disease 2004-2006
- 34) Kyowa/Istradefylline/KW6002 (001) Phase III Trial, in patients with Parkinson's disease 2004-2006
- 35) Novartis/Stalevo "QUEST" Phase III Trial, in patients with Parkinson's disease and Experiencing "Off" time 2005-2008
- 36) Novartis/Stalevo "FIRST STEP" Phase III Trial, in newly diagnosed Parkinson's disease 2005-2008 Patients, High Enrollers
- 37) Sarizotan "PADDY-O" Phase III Trial, open-label, in patients with Parkinson's disease 2005-2006
- 38) Kyowa/Istradefylline/KW6002 (025), safety study in patients with Parkinson's disease 2005-2008
- 39) Teva/Azilect "LEGATO" Phase III Trial, in patients with Parkinson's disease, Top Enroller 2006-2007
- 40) Eisai/E2007 "PACE" Phase III Trial, in patients with Parkinson's disease 2006-2008
- 41) Merz/NT201 Phase III Trial, in patients with Cervical Dystonia 2006-2008
- 42) Teva "NAb's Phase IV Trial, NAb's testing in patients diagnosed with Multiple Sclerosis 2006-2008
- 43) Eisai/E2007 "PACE-FU" Phase III Trial, in patients with Parkinson's disease 2007-2008
- 44) Merz/NT201 Phase III Trial, in patients with Bilateral Blepharospasm 2007-2009
- 45) Solvay/SLV308 "MONDRIAN" Phase III Trial, in patients with Parkinson's disease 2007-2008

- 46) Valeant/Zelapar "A to Z" Phase IV Trial, in patients with Parkinson's disease
2007-2008
- 47) Valeant/Zelapar "SWITCH" Phase IV Trial, in patients with Parkinson's disease
2007-2008
- 48) Vernalis/Tigan "APO-01" Trial in patients with Parkinson's initiating Apokyn, Top Enrollers
2007-2008
- 49) Boehringer Ingelheim/Pramipexole ER "PROUD" Phase III Trial, in newly diagnosed
2007-2009 Parkinson's disease patients
- 50) Santhera/Fipamezole "FJORD" Phase III Trial, in patients with Parkinson's disease
2007-2008
- 51) Schwarz/Rotigotine (Neupro) "SP921" Phase IV Trial, in patients diagnosed with
Parkinson's 2007-2011 Disease

Clinical Research Investigator, cont...

- 52) Boehringer Ingelheim/Pramipexole ER "524" Phase III Trial, in newly diagnosed
Parkinson's 2007-2008 Disease patients
- 53) Boehringer Ingelheim/Pramipexole ER "633" Phase III, Open-label Trial, in newly
diagnosed 2007-2010 Parkinson's disease patients
- 54) Schering-Plough/SCH420814 "P04501" Phase II, Double-blind Trial, in late stage
Parkinson's 2007-2008 Disease patients
- 55) Schering-Plough/SCH420814 "P05175" Phase II, Open-label Trial, in late stage Parkinson's
2008-2010 Disease patients
- 56) Teva/Glatiramer Acetate, double-blind, in Retinal Nerve Fiber Layer and Visual Function in
2008-2009
Patients with a First Episode of Acute Optic Neuritis
- 57) Teva/Glatiramer Acetate "SONG" Phase IV Trial, in patients with Multiple Sclerosis
2008-2009
- 58) Novartis/Stalevo, double-blind Trial, in patients with Parkinson's Disease and
demonstrating 2008-2009 Non-motor Symptoms of wearing off
- 59) Novartis/Exelon Patch and Capsules "OPTIMA" Open-label Trial, in patients with
Parkinson's 2007-2009 Disease with mild to moderately severe dementia
- 60) Impax/IPX066 "APEX-PD" Phase III, Placebo-controlled Trial, in patients with mild
2009-2011 Parkinson's disease
- 61) Impax/IPX066 "ADVANCE-PD" Phase III Trial, in patients with advanced Parkinson's
disease 2009-2011
- 62) Teva/Azilect "ANDANTE" Phase IV Trial, in patients with early Parkinson's disease
2009-ongoing
- 63) Impax/IPX066 "Open Label Extension" Phase III Trial, in patients with Parkinson's disease
2010-2011
- 64) Novartis "AFQ2216" Phase II Trial, in patients with advanced Parkinson's disease
2010-2011
- 65) Ipsen "Tigan" Phase III Trial, in Parkinson's disease patients ready to begin Apokyn
2010-2011
- 66) Teva "ENCORE" Phase III Trial, in MS patients, with 3xweek dosing of Copaxone
2010-2011
- 67) Acadia "ACP-103-020" Phase III Trial, in patients with Parkinson's disease psychosis
2010-ongoing
- 68) Teva "GALA" Phase III Trial, in newly diagnosed Multiple Sclerosis patients
2010-ongoing
- 69) Phytopharm/Cogane "CONFIDENT-PD" Phase II Trial, in newly diagnosed Parkinson's
2010-ongoing Disease patients
- 70) Biotie (formally Synosia)/SYN115 "SYN115-CL02" Phase II Trial, in Parkinson's Disease
2011-ongoing Patients with end-of-dose wearing off
- 71) Addex/ADX48621, Phase II Trial, in LDopa induced dyskinesia in patients with Parkinson's
2011-ongoing Disease
- 72) Merz "XCiDaBLE" Phase IV Observational Trial, evaluation of Xeomin for Cervical Dystonia
2011-ongoing or Blepharospasm
- 73) Avanir "PRISM" Registry: A Pseudobulbar Affect Registry Series
2011-ongoing

- 74) Biogen "STRATIFY-2" Trial, JCV Antibody Program in patients with Relapsing Multiple Sclerosis receiving or considering treatment with Tysabri
- 75) Ipsen "ANCHOR-CD" Phase IV Observational Trial, Dysport clinical and health economics 2011-ongoing outcomes registry in Cervical Dystonia

Global Parkinson's disease Study By World Health Organization: One of the centers selected for evaluation of treatment of IPD.

ICH/GCP Certification and Training:

- 1) Collaborative IRB Training Initiative (CITI) Program, Protection of Human Research Subjects Dec. 14, 2007
- 2) Good Clinical Practice (GCP) E-learning Training, Novartis Pharmaceuticals April 13, 2009
- 3) Protecting Human Research Participants, National Institutes of Health Web-based Training Mar. 18, 2010
- 4) Collaborative IRB Training Initiative (CITI) Program, Protection of Human Research Subjects Jul. 9, 2012

Invitation for Panel Participation:

- 1) Clinical Studies In Parkinson's Disease, Dupont, Wilmington, Delaware Feb. 1970
- 2) Study of Metabolites of Amantadine HCL in Parkinson's Patients and Dopamine Levels in CSF of Amantadine HCL Treated Patients, Dupont, Wilmington, Delaware Feb. 1972
- 3) Resource Development, Scripps Memorial Hospital Foundation Panel 1991 May
Scripps Memorial Hospital La Jolla
- 4) Current Treatment Strategies For Parkinson's Disease, Keystone, Colorado Feb. 1993
- 5) Update on Current Treatment Strategies For Parkinson's Disease Feb. 1994
Board for Treatment of Alzheimer's Disease with Cognex, Keystone, Colorado
- 6) Advisory, Parke-Davis 1994 April 5,

Invitation for Panel Participation, cont...

- 7) Investigators for Cognex Access Program for the treatment of Alzheimer's Disease Nov. 5-7, 1993
Dallas Texas
- 8) APDA Conference on Parkinson's Disease Panel Aug. 19-23, 1992
- 9) Consensus Panel on the Treatment of Parkinson's Disease, New York, New York Jan. 13-14, 1995
- 10) Consensus Panel Algorithmic Treatment of Parkinson's Disease With Video April 5-9, 1995 Keystone, Colorado
- 11) Scripps Institute of Science and Medicine (SIMS), Independent Teaching Hospitals Feb. 24, 1995
Development Foundation Conference, Fund Raising Its Relationship to Managed Care
- 12) Use of Trophic Factors in Neurodegenerative Diseases Nov. 9, 1995
National Parkinson's Foundation, San Diego, California
- 13) Second Annual Parkinson's Disease Symposium Satellite Conference, Keystone, Colorado Mar. 8, 1996
- 14) Challenge and Issues, Round Table Meeting, Sheraton Grand Hotel, Tampa, Florida Feb. 7, 1997
- 15) Current Trends in the Treatment of Parkinson's Disease, Revision of the Algorithm for the Treatment of Parkinson's Disease, Heaver Castle, England Mar. 21-22, 1997
- 16) Current Trends in the Treatment of Parkinson's Disease, Napa Valley, California Feb. 1998

- 17) Current Trends in the Use of Eldepryl, New York, New York 15, 1998 Mar.
- 18) BOTOX Injection Training with Cervical Dystonia, Allergan Inc. Sept. 2008
- 19) Parkinson's Disease Roundtable, Teva Neuroscience, Dallas, Texas June 26-27, 2009
- 20) Mirapex ER Speakers Council Meeting, Boehringer Ingelheim, Chicago, Illinois Aug. 13-14, 2009
- 21) Mirapex ER Speaker Council Web Cast, San Diego, California Mar. 3, 2010
- 22) Questcor Regional Advisory Board Meeting, Phoenix, Arizona Mar. 5-6, 2010
- 23) Teva Neuroscience, Multiple Sclerosis Regional Advisory Forum, San Diego, California Mar. 12-13, 2010
- 24) Teva Neuroscience, Azilect Case Development Meeting, San diego, California July 9-10, 2010
- 25) Teva Neuroscience, Multiple Sclerosis Local Advisory Board Meeting, Pasadena, California Aug. 14, 2010
- 26) Teva Neuroscience, 2011 Copaxone Speaker Training Meeting, Plano Texas Sep. 24-25, 2010
- 27) Ipsen Pharmaceuticals, Dysport Regional Advisory Board Meeting, Phoenix, Arizona Oct. 1-2, 2010
- 28) Novartis Pharmaceuticals, Exelon Patch Webcast Speaker Training Series Oct. 2010
- 29) Teva Neuroscience, Azilect Speaker Bureau training Meeting, Scottsdale, Arizona Oct. 8-9, 2010
- 30) Teva Neuroscience, Multiple Sclerosis Local Advisory Meeting, Irvine, California Nov. 6, 2010
- 31) Teva Neuroscience, Regional Multiple Sclerosis Experts' Forum, San Francisco, California Mar. 18-19, 2011
- 32) Teva Neuroscience, Multiple Sclerosis Local Advisory Board Meeting, Pasadena, California Mar. 26, 2011
- 33) Merz Pharmaceutical, Speaker Network Series, San Diego, California Mar. 29, 2011 Mar.
- 34) Merz Pharmaceutical, Xeomin Advisor, Strategic Roundtable, MDS Annual Meeting, Toronto June 7, 2011 Canada
- 35) Ipsen Pharmaceuticals, Dysport Regional Advisory Board Meeting, Phoenix, Arizona June 17-18, 2011
- 36) Teva Neuroscience, Parkinson's Disease Advisory Forum, Chicago, Illinois Aug. 5-6, 2011
- 37) Teva Neuroscience, Multiple Sclerosis National Speaker Bureau Meeting, Frisco, Texas Sep. 23-24, 2011
- 38) Teva Neuroscience, Azilect Speakers Bureau Webcast Program Nov. 02, 2011
- 39) Teva Neuroscience, Multiple Sclerosis Local Advisory Meeting, Irvine, California Nov. 12, 2011
- 40) Teva Neuroscience, PM103 Steering Committee Meeting, Dallas, Texas Apr. 13-14, 2012
- 41) Teva Neuroscience, MS Expert Forum, San Fransisco, California July 13-14, 2012
- 42) Impax Pharmaceuticals, Rytary (IPX066) expert advisory board, New York Aug. 10-11, 2012

Neurodegenerative Meetings- Director, Dr. Warren Olanow, Kewstone, Iowa
1987-2004

Movement Disorder Society (MDS) Meetings, yearly
1988-present

American Academy of Neurology (AAN) Meetings, yearly
present

1988-

Lectures-Medical:

- 1) Parkinson's Disease, Differential Diagnosis and Treatment, General Staff Meeting
Nov. 1973
Mission Bay Hospital, San Diego, California
- 2) Sarcoidosis and Central Nervous System Manifestation, Department of Medicine
Nov. 1973
Scripps Memorial Hospital, Encinitas, California
- 3) Post-Traumatic Syndrome, Diagnosis and Clinical Features, Emergency Room
Department Dec. 1973
Scripps Memorial Hospital, La Jolla, California
- 4) Movement Disorders, Family Practice Department, Scripps Memorial Hospital, Encinitas
Jan. 1974
California
- 5) Parkinson's Disease, Diagnosis and Treatment, Medical Department, Scripps Memorial
Mar. 1974
Hospital, Encinitas, California
- 6) Parkinson's Disease, Diagnosis and Treatment, Family Practice Department, Scripps
June 1974
Memorial Hospital, Encinitas, California
- 7) Headaches, Differential Diagnosis and Treatment, Resident Staff, Mercy Hospital
Sept. 1974
San Diego, California
- 8) Subarachnoid Hemorrhage, Diagnosis and Treatment, General Staff, Scripps Memorial
Oct. 1974
Hospital, La Jolla, California
- 9) Headaches, Differential Diagnosis and Treatment, General Staff, Mission Bay Hospital
Nov. 1974
San Diego, California

- 10) Headaches, Differential Diagnosis and Treatment, Department of Pediatrics, Scripps
Mar. 1975
Memorial Hospital, La Jolla, California
- 11) ENG in a Diagnosis of Vestibular and Cochlear Disorders, Department of ENT, Scripps
May 1975
Memorial Hospital, La Jolla, California
- 12) Peripheral Nerve Syndromes and Peripheral Nerve Injury, Family Practice Section,
Scripps May 1975
Memorial Hospital, Encinitas, California
- 13) Seizures, Differential Diagnosis and Treatment, General Medical Staff, Mission Bay
Hospital Aug. 1975
San Diego, California
- 14) Seizures in Pregnancy, Department of OB/GYN, Scripps Memorial Hospital, La Jolla, CA
Oct. 1975
- 15) Headaches, Differential Diagnosis and Treatment, Family Practice Department, Scripps
Dec. 1975
Memorial Hospital, Encinitas, California
- 16) Differential Diagnosis of Third Nerve Palsy, Department of Ophthalmology, Scripps
Jan. 1973
Memorial Hospital, La Jolla, California
- 17) Central Nervous System Manifestations of Sarcoidosis, Medicine Department, Scripps
April 1976
Memorial Hospital, La Jolla, California
- 18) Seizures, Surgery, and Anesthesia, Department of Anesthesia, Scripps Memorial Hospital
May 1976
La Jolla, California
- 19) Parkinson's Disease, Update on Current Treatment June
1976
General Staff, Scripps Memorial Hospital, La Jolla, California

Lectures-Medical, cont...

- 20) Post-Traumatic Headache Syndrome, Family Practice Aug.
1976
Scripps Memorial Hospital, Encinitas
- 21) Entrapment Syndromes, Carpal Tunnel, Tardy Ulnar Palsy and Others
Sept. 1976
Family Practice, Scripps Memorial Hospital, La Jolla, California
- 22) Parkinson's Syndrome, General Staff Oct.
1976
Scripps Memorial Hospital, La Jolla, California
- 23) Parkinson's Disease and Other Basal Ganglia Diseases
Nov. 1976
General Staff Meeting, Pioneer Hospital, El Centro, California
- 24) Migraine, Its Clinical Picture and Possible Complications in Pregnancy
Dec. 1976
Dept. of OB/GYN, Scripps Memorial Hospital, La Jolla, California
- 25) Peripheral Nerve Lesions in the Hospital, Diagnosis and Prevention Jan.
1977
Dept. of Nursing, Scripps Memorial Hospital, La Jolla, California
- 26) Alzheimer's Disease, Diagnosis and Management April
1977
Family Practice, Scripps Memorial Hospital, Encinitas, California
- 27) Headaches, Differential Diagnosis and Treatment June
1977
General Staff, Scripps Memorial Hospital, La Jolla, California
- 28) Neurological Complications of Anesthesia Aug.
1977
Dept. of Nursing, Scripps Memorial Hospital, La Jolla, California
- 29) Peripheral Nerve Injuries, Family Practice Sept.
1977

- Scripps Memorial Hospital, La Jolla, CA
- 30) Peripheral Nerve Syndromes and Entrapment Syndromes Oct.
1977
- Family Practice, Scripps Memorial Hospital, Encinitas, California
- 31) Neurological Complications Associated with Anesthesia
Jan. 1978
- Dept. of Anesthesia, Scripps Memorial Hospital, La Jolla, California
- 32) New Anticonvulsant Drugs, Department of Pediatrics,
Feb. 1978
- 33) Seizures, and Acute Treatment, Dept. of Nursing, Scripps Memorial Hospital
Mar. 1978
- La Jolla, California
- 34) Malignant Hyperthermic Syndrome, Diagnosis and Etiology, Medical Department
Mar. 1978
- Scripps Memorial Hospital, Encinitas, California
- 35) Parkinson's Disease, Clinical Features and Management, With emphasis on Physical
April 1978 Therapy, Department of Physical Therapy, Scripps
Memorial Hospital, La Jolla, California
- 36) Neurology Education Course: ENG, Its Clinical Use and Interpretation
Sept. 1978
- California Medical Association, Los Angeles, California
- 37) Movement Disorders, Diagnosis and Treatment, Medicine Department
Aug. 1978
- Scripps Memorial Hospital, La Jolla, California
- 38) Differential Diagnosis of Sixth Nerve Palsy, Department of Ophthalmology
Oct. 1978
- Scripps Memorial Hospital, La Jolla, California
- 39) Parkinson's Disease, Diagnosis and Treatment, General Medical Staff
Nov. 1978
- Fallbrook Hospital, Fallbrook, California
- 40) Movement Disorders, Department of Physical Therapy
Feb. 1979
- Scripps Memorial Hospital, La Jolla, California
- 41) Parkinson's Disease, Diagnosis and Treatment, General Staff Feb.
1979
- Paradise Valley Hospital, San Diego, California
- 42) Stroke, Its Etiology, Diagnosis, and Treatment, Nursing Department Mar.
1979
- Scripps Memorial Hospital, La Jolla, California
- 43) Subarachnoid Hemorrhage, Diagnosis and Treatment, Family Practice Department
April 1979
- Scripps Memorial Hospital, La Jolla, California
- 44) Dizziness, Differential Diagnosis and Treatment, Family Practice Department
Aug. 1979
- Scripps Memorial Hospital, Encinitas, California
- 45) Brain Stem Evoked Responses (BER), Its Use in Neuro-Otology, ENT Section
Sept. 1979
- Scripps Memorial Hospital, La Jolla, California
- 46) Headaches, Differential Diagnosis and Its Treatment, General Medical Staff Oct.
1979
- Fallbrook Hospital, Fallbrook, California
- 47) Neurological Aspects of Alcoholism, Dept. of Medicine, Scripps Memorial Hospital
Nov. 1979
- La Jolla, California
- 48) Stroke, Etiology, Diagnosis, and Early Detection, Department of Physical Therapy
Jan. 1990
- Scripps Memorial Hospital, La Jolla, California
- Lectures-Medical, cont...
- 49) Neurological Manifestations of GI Diseases, Department of Gastroenterology
Jan. 1980

- Scripps Memorial Hospital, La Jolla, California
- 50) Meningitis and Infectious Diseases of the Central Nervous System
April 1980
Family Practice Dept., Scripps Memorial Hospital, La Jolla, California
- 51) Peripheral Nerve Injury in the Hospital, Diagnosis, Presentation, and Avoidance
Aug. 1980
Physical Therapy Dept., Scripps Memorial Hospital, La Jolla
- 52) Epilepsy and Status Epilepticus, Family Practice Department Jan.
1981
Scripps Memorial Hospital, Encinitas, California
- 53) Ophthalmic Migraine and Classical Migraine, Its Presentation to the Ophthalmologist
Feb. 1981
Dept. of Ophthalmology, Scripps Memorial Hospital, La Jolla, California
- 54) Tremors, Differential Diagnosis, Medical Staff, Scripps Memorial Hospital
Mar. 1981
La Jolla, California
- 55) Carpal Tunnel and Entrapment Syndromes, Family Practice May
1981
Scripps Memorial Hospital, La Jolla, California
- 56) Seizures and Status Epilepticus, Diagnosis and Treatment, Medical Staff
Dec. 1981
Scripps Memorial Hospital, Encinitas, California
- 57) Vertigo, Differential Diagnosis and the Clinical Use of ENG, Family Practice
Mar. 1982
Scripps Memorial Hospital, La Jolla, California
- 58) Movement Disorders, Family Practice, Scripps Memorial Hospital, Encinitas, California
April 1982
- 59) Headaches, Differential Diagnosis With Emphasis on Complicated Migraine and Its
June 1982
Treatment, General Staff, Scripps Memorial Hospital, La Jolla, California
- 60) Peripheral Nerve Syndromes Related to Anesthesia and Surgery
Sept. 1982
Dept. of Anesthesia, Scripps Memorial Hospital, La Jolla, California
- 61) Seizures, Differential Diagnosis and Treatment
Oct. 1982
General Medical Staff, Fallbrook Hospital, Fallbrook, California
- 62) Dementia and Its Differential Diagnosis, Medical Department
June 1983
Scripps Memorial Hospital, Encinitas, California
- 63) Amaurosis Fugax, Diagnosis, Differential, and Evaluation
Sept. 1983
Dept. of Ophthalmology, Scripps Memorial Hospital, La Jolla, California
- 64) TIA's Clinical Presentation, Differential Diagnosis and Treatment
Nov. 1983
Family Practice, Scripps Memorial Hospital, La Jolla, California
- 65) Migraine and Its Differential Diagnosis, General Staff Jan.
1984
Scripps Memorial Hospital, La Jolla, California
- 66) Dystonias, Diagnosis and Treatment, Family Practice April
1984
Scripps Memorial Hospital, Encinitas, California
- 67) Migraine and Its Differential Diagnosis, General Staff Meeting
Sept. 1984
Paradise Hospital, San Diego, California
- 68) Parkinson's Disease, Videotapes and Case Presentations
Oct. 1984
Family Practice, Scripps Memorial Hospital, La Jolla, California
- 69) TIA's, Diagnosis and Treatment, Medical Department
Dec. 1984
Scripps Memorial Hospital, Encinitas, California

- 70) Parkinson's Disease, New Treatment Formats, General Staff Mar.
1985
Scripps Memorial Hospital, La Jolla, California
- 71) Diagnosis and Treatment of Stroke, Medical Staff, Fallbrook Hospital, Fallbrook, California
Oct. 1985
- 72) The MPTP Story, Its Relationship to Parkinson's Disease
Sept. 1987
General Staff, Scripps Memorial Hospital, La Jolla, California
- 73) Neurodegenerative Diseases, Resident Staff, Mercy Hospital, San Diego, California
Oct. 1987
- 74) Stroke in Pregnancy, OB/GYN, Scripps Memorial Hospital, La Jolla, California
Nov. 1987
- 75) Parkinson's Plus Syndromes, General Staff, Scripps Memorial Hospital, La Jolla, California
Jan. 1988
- 76) Anticonvulsants, Side Effects to Fetus and Management During Pregnancy
Feb. 1988
OB/GYN Dept., Scripps Memorial Hospital, La Jolla,
California
- 77) Parkinson's Disease Update, General Staff, Scripps Memorial Hospital, Encinitas,
California June 1986
- 78) TIA's, Update on Treatment, General Staff, Scripps Memorial Hospital, La Jolla, California
Jan. 1989
- 79) Neurotransplants in Basal Ganglia Disease, The Mexico City Story
June 1989
Dept. of Medicine, Scripps Memorial Hospital, Encinitas, California
- 80) Eldepryl and Oxidative Stress and Free Radicals, Medical Staff
June 1989
Scripps Memorial Hospital, La Jolla, California

Lectures-Medical, cont...

- 81) Neurotransplants in Basal Ganglia Disease, The Mexico City Story
Sept. 1989
General Staff, Scripps Memorial Hospital, La Jolla, California
- 82) Migraine, Diagnosis and Treatment, Physical Therapy Department Nov.
1989
Scripps Memorial Hospital, La Jolla, California

Mar. 9, 2012
Alzheimer's disease, San Diego, California
- 689) Grand Rounds, Scripps Memorial Hospital: Current Diagnosis and Treatment of Multiple
Apr. 17, 2012
Sclerosis, La Jolla, California
- 690) Module3- Selected Topics in Relapsing MS, Del Mar, California
May 10, 2012
- 691) Treatment of Cervical Dystonia With Dysport, Neurology Associates, Honolulu Hawaii
May 30, 2012
- 692) Azilect Speaker Training Meeting, Dallas, Texas
Sept 21-22, 2012
- 693) IPSEN Speaker Training Meeting, Miami, Florida
Sept 28-29, 2012

Teleconferences for Physicians – Speaker:

- 1) Clinical Experience with Eldepryl and the Treatment of Parkinson's Disease
Nov. 9, 1993
Boron, Lepore & Associate
- 2) Modern Treatment Strategies in Parkinson's Disease, Boron, Lepore & Associates
Dec. 9, 1993
- 3) The Eldepryl Experience in Parkinson's Disease, Boron, Lepore & Associates
Jan. 7, 1994
- 4) Differential Diagnosis of Alzheimer's Disease, Parke-Davis
Mar. 3, 1994
- 5) Use of Cognex in Treatment of Alzheimer's Disease, Parke-Davis
Mar. 9, 1994
- 6) Differential Diagnosis of Dementia, Parke-Davis
April 7, 1994
- 7) Parkinson's Disease and Its Differential Diagnosis and Treatment, Parke-Davis
April 13, 1994
- 8) Treatment Strategies for Parkinson's Disease, Boron, Lepore & Associates
May 4, 1994
- 9) The Use of Eldepryl in Parkinson's Disease, Boron, Lepore & Associates
May 9, 1994
- 10) Parkinson's Disease, Early Diagnosis and Treatment, Boron, Lepore & Associates
June 1, 1994
- 11) Use of Eldepryl in Neurodegenerative Diseases, Boron, Lepore & Associates
June 2, 1994
- 12) The Use of Eldepryl in the Treatment of Parkinson's Disease, Boron, Lepore, & Associates
June 22, 1994
- 13) Treatment of Parkinson's Disease in the Early Stages, Boron, Lepore & Associates
June 27, 1994
- 14) Treatment of Parkinson's Disease and the Use of Eldepryl, Boron, Lepore, & Associates
June 28, 1994
- 15) New Considerations in the Sequence of Drugs for Parkinson's Disease
Aug. 15, 1994
Boron, Lepore & Associates
- 16) New Considerations in the Sequence of Drugs for Parkinson's Disease
Aug. 18, 1994
Boron, Lepore & Associates
- 17) Treatment of Parkinson's Disease With Eldepryl, Boron, Lepore & Associates
Aug. 22, 1994

- 18) Parkinson's Disease, New Strategies for Treatment, Boron, Lepore & Associates
Aug. 23, 1994
- 19) Parkinson's Disease, Early Diagnosis and Treatment, Boron, Lepore, & Associates
Aug. 24, 1994
- 20) Parkinson's Disease, Early Strategies for the Use of Drugs in Parkinson's Disease
Aug. 25, 1994
Boron, Lepore & Associates
- 21) Format for the Treatment of Parkinson's Disease, Boron, Lepore & Associates
Sept. 12, 1994
- 22) Parkinson's Disease, Early Diagnosis and Treatment, Boron, Lepore & Associates
Sept. 12, 1994
- 23) Early Strategies in the Use of Drugs in Parkinson's Disease, Boron, Lepore, & Associates
Sept. 15, 1994
- 24) Treatment of Parkinson's Disease with Eldepryl, Boron, Lepore & Associates Sept.
19, 1994
- 25) Strategies in the Treatment of Parkinson's Disease, Boron, Lepore & Associates
Sept. 19, 1994
- 26) Treatment of Parkinson's Disease in Its Early Stages, Boron, Lepore & Associates
Sept. 20, 1994
- 27) Early Diagnosis and Treatment of Parkinson's Disease, Boron, Lepore & Associates
Sept. 20, 1994
- 28) New Concepts in the Treatment of Parkinson's Disease, Boron, Lepore & Associates
Sept. 21, 1994
- 29) Parkinson's Disease, Early Diagnosis and Treatment, Boron, Lepore & Associates
Sept. 21, 1994
- 30) Eldepryl and Its Use in Parkinson's Disease, Boron, Lepore & Associates
Sept. 22, 1994
- 31) Parkinson's Disease, Early Strategies in the Use of Drugs in Parkinson's Disease
Sept. 22, 1994
Boron, Lepore & Associates
- 32) New Concepts in Treatment of Parkinson's Disease, Boron, Lepore & Associates
Oct. 3, 1994
- 33) Treatment of Parkinson's Disease With Eldepryl, Boron, Lepore & Associates
Oct. 3, 1994
- 34) Treatment of Parkinson's Disease with Eldepryl, Boron, Lepore & Associates Oct. 3,
1994
- 35) Early Diagnosis and Treatment of Parkinson's Disease, Boron, Lepore, & Associates
Oct. 5, 1994
- 36) Diagnosis and Management of Parkinson's Disease With Eldepryl and Dopamine Agonist
Nov. 1, 1994
Boron, Lepore & Associates
- 37) Diagnosis and Management of Parkinson's Disease With Eldepryl and Dopamine Agonist
Nov. 2, 1994
Boron, Lepore & Associates

Teleconferences for Physicians - Speaker, cont...

Public and Patient Lectures:

- 1) Lectures given on Parkinson's disease and other neurological disorders, not captured
1971-1983
- 2) Living Better With Parkinson's Disease, Scripps Memorial Hospital, Well Being Center
Aug. 1984
La Jolla, California
- 3) MPTP and Parkinson's Disease, Scripps Memorial Hospital, Well Being Center
Sept. 1984
La Jolla, California
- 4) Sinemet's Role in the Treatment of Parkinson's Disease, Scripps Memorial Hospital
Oct. 1984
Well Being Center, La Jolla, California
- 5) Treatment of Parkinson's Disease, General Considerations, Scripps Memorial Hospital
Jan. 1985
Well Being Center, La Jolla, California
- 6) Neurodegenerative Diseases and Their Classifications, Scripps Memorial Hospital
Feb. 1985
Well Being Center, La Jolla, California
- 7) Therapeutic Considerations of L-Dopa and Its Side Effects, Scripps Memorial Hospital
Mar. 1985
Well Being Center, La Jolla, California

Public and Patient Lectures, cont...

- 8) Drug Induced Parkinson's Disease, Scripps Memorial Hospital, Well Being Center
April 1985
La Jolla, California
- 9) Dementia (Memory Loss) in Parkinson's Disease, Scripps Memorial Hospital
May 1985
Well Being Center, La Jolla, California
- 10) Auto Adrenal Transplant in Parkinson's Disease, The Mexico Experience, Scripps Memorial
Hospital, Well Being Center, La Jolla, California
June 1985
- 11) New Drugs in the Treatment of Parkinson's Disease, Scripps Memorial Hospital
Sept. 1985
Well Being Center, La Jolla, California
- 12) Are You and Your Doctor Sure You Have Parkinson's Disease? Scripps Memorial Hospital
Oct. 1985
Well Being Center, La Jolla, California
- 13) Diet and Exercise in the Treatment of Parkinson's Disease, Scripps Memorial Hospital
Jan. 1986
Well Being Center, La Jolla, California
- 14) Review of Advancements in Parkinson's Disease, Scripps Memorial Hospital
Feb. 1986
Well Being Center, La Jolla, California
- 15) Stroke, Atherosclerosis and Its Role in the Etiology of Parkinson's Disease, Scripps
Mar. 1986
Memorial Hospital, Well Being Center, La Jolla, California

- 16) Dopamine Agonists in the Treatment of Parkinson's Disease, Scripps Memorial Hospital
April 1986
Well Being Center, La Jolla, California
- 17) Head Trauma and Anoxia as an Etiology of Parkinson's Disease, Scripps Memorial Hospital
May 1986
Well Being Center, La Jolla, California
- 18) Orthostatic Hypotension, Scripps Memorial Hospital, Well Being Center
June 1986
La Jolla, California
- 19) Hallucinations, Delusions, and Confusion in Parkinson's Disease Patients
Sept. 1986
Patients, Scripps Memorial Hospital, Well Being Center, La Jolla
- 20) The Importance of Staging Parkinson's Disease Patients, Scripps Memorial Hospital
Oct. 1986
Well Being Center, La Jolla, California
- 21) Neuro Protection in the Treatment of Parkinson's Disease, the Use of Eldepryl
Jan. 1987
Scripps Memorial Hospital, Well Being Center, La Jolla, California
- 22) Support Groups for Parkinson's Patients and Families, Scripps Memorial Hospital
Feb. 1987
Well Being Center, La Jolla, California
- 23) Advanced Parkinson's Disease, A Conservative Treatment Approach, Scripps Memorial
Mar. 1987
Hospital, Well Being Center, La Jolla, California
- 24) Muscle Cramps, Nocturnal Myoclonous, and Dysautonomias, Scripps Memorial Hospital
April 1987
Well Being Center, La Jolla, California
- 25) Urinary Symptoms in Parkinson's Disease and the Appropriate Treatment
May 1987
Scripps Memorial Hospital, Well Being Center, La Jolla, California
- 26) Fetal Transplants in Parkinson's Disease Patients, Review of the National Experience
June 1987
Scripps Memorial Hospital, Well Being Center, La Jolla, California
- 27) Etiology of Parkinson's Disease, Neurodegeneration, Toxic, Infectious, or Combination
Sept. 1987
Scripps Memorial Hospital, Well Being Center, La Jolla, California
- 28) Management of Dyskinesias in Parkinson's Disease Patients, Scripps Memorial Hospital
Oct. 1987
Well Being Center, La Jolla, California
- 29) The Pharmacokinetics of L-Dopa, Scripps Memorial Hospital, Well Being Center
Jan. 1988
La Jolla, California
- 30) Update on Advances in Neurodegenerative Diseases, Scripps Memorial Hospital
Feb. 1988
Well Being Center, La Jolla, California
- 31) Treatment of Dysautonomias in Parkinson's Disease, Scripps Memorial Hospital
Mar. 1988
Well Being Center, La Jolla, California
- 32) Frequent Dosing with Sinemet for Clinical Improvement, Scripps Memorial Hospital
April 1988
Well Being Center, La Jolla, California
- 33) Improvement for "on/off" Freezing and End-Dose Failure, Scripps Memorial Hospital
May. 1988
Well Being Center, La Jolla, California
- 34) Sustained Sinemet (Long-Acting), Are You a Candidate, Scripps Memorial Hospital
June. 1988
Well Being Center, La Jolla, California
- 35) Syncope and Parkinson's Disease, Scripps Memorial Hospital, Well Being Center
Sept. 1988
La Jolla, California

Public and Patient Lectures, cont...

- 36) Parkinson's Plus Syndrome, Scripps Memorial Hospital, Well Being Center
Oct. 1988 La Jolla, California
- 37) Improving Activities of Daily Living, A Guide to Better Treatment for the Parkinson's
Patient Jan. 1989
Scripps Memorial Hospital, Well Being Center, La Jolla, California
- 38) Eldepryl, Its Use in Parkinson's Disease, Scripps Memorial Hospital, Well Being Center
Feb. 1989
La Jolla, California
- 39) Bromocriptine, How Best to Use it, and Who's a Candidate, Scripps Memorial Hospital
Mar. 1989
Well Being Center, La Jolla, California
- 40) Overview in the Management of Parkinson's Disease, Scripps Memorial Hospital
April 1989
Well Being Center, La Jolla, California
- 41) Parkinson's Disease, Alzheimer's, and ALS, Are They Related, Scripps Memorial Hospital
April 1989
Well Being Center, La Jolla, California
- 42) Falling in Parkinson's Patients, Scripps Memorial Hospital, Well Being Center
May 1989
La Jolla, California
- 43) Leg Pain, Is It Parkinson's Disease, the Medication, or Some Other Problem
June 1989
Scripps Memorial Hospital, Well Being Center, La Jolla, California
- 44) Hallucinations in Parkinson's Disease Patients and How to Best Treat Them
Oct. 1989
Scripps Memorial Hospital, Well Being Center, La Jolla, California
- 45) Sinemet-CR and Its Use in Parkinson's Patients, Scripps Memorial Hospital, Well Being
Center Oct. 1989
La Jolla, California
- 46) Overview for the Treatment of Parkinson's Disease, Scripps Memorial Hospital
Nov. 1989
Well Being Center, La Jolla, California
- 47) Liquid L-Dopa, Its Benefits and Use, and Are You a Candidate, Scripps Memorial Hospital
Jan. 1990
Well Being Center, La Jolla, California
- 48) Nocturnal Problems in Parkinson's Patients, Scripps Memorial Hospital, Well Being Center
Feb. 1990
La Jolla, California
- 49) Fetal Transplant, Auto Adrenal Transplant in Parkinson's Patients, Scripps Memorial
Hospital, Well Being Center, La Jolla, California
Mar. 1990
- 50) Exercises and Daily Exercise for Parkinson's Patients, Scripps Memorial Hospital
April 1990
Well Being Center, La Jolla, California
- 51) Proteins, Amino Acids, and Absorption of L-Dopa, Scripps Memorial Hospital
May 1990
Well Being Center, La Jolla, California
- 52) Parkinson's Disease and Its Treatment, Senior Citizens, Escondido, California
May 10, 1990
